

The next generation
polymer technologist...

For Household

Products	INCI Name	Recommended Applications
Acrypol 950	Carbomer	Automatic dish washing liquids, General sanitizing applications, Laundry pre-spotters and treatments, Hard surface cleaners, Toilet bowl cleaners, Mold and mildew cleaners, Oven cleaners, Gelled fuels
Acrypol 941	Carbomer	Hard surface cleaners, Mold & mildew removers, Oven cleaners, Hydrogen peroxide gels, Toilet bowl cleaners, Laundry prespotter systems, Alkaline drain cleaners
Acrypol ET-12	Acrylate copolymer	Hard surface cleaner, Liquid laundry, detergent, Room fresher
Acrypol ET-1	Acrylate copolymer	Car wash applications, Hard surface cleaners, High surfactant gel applications, Liquid laundry detergent, Manual dishwashing liquids
Acrypol ET 2020	Acrypol ET 2020 Acrylate/ C10-30 Alkyl Acrylate crosspolymer	Hard surface cleaners, Surfactant and detergent applications, Non-aerosol spray cleaners, Auto care polishes, waxes and protectants, Glass and window cleaners, Light duty detergents, Peroxide gels Alkaline toilet bowl cleaners, Abrasive cleaners
Acrypol ET 2050	Acrylate/ C10-30 Alkyl Acrylate crosspolymer	Liquid laundry detergents, Hard surface cleaners, Non-aerosol spray cleaners, Auto Care polishes, waxes and protectants, Glass and window cleaners, Abrasive cleaners
Acrypol ELT 20	Acrylate/ C10-30 Alkyl Acrylate crosspolymer	Hard surface non-aerosol spray cleaners, All-purpose cleaners, Hard surface cleaners, Hard surface sanitizing gels and spray products, Auto care polishes, waxes and protectants, Light duty liquid detergents
Acrypol TR-1	Acrylate/ C10-30 Alkyl Acrylate crosspolymer	Air fresheners and deodorizers, Automotive care products, Polishes and waxes, Paint strippers, Surface protectants, Solvent degreasers
Acrypol TR-2		
Acryme N 50	Acrylates copolymer (and) mineral oil (and) polysorbate 80	Car care waxes, polishes, protectants and dressings, Furniture, appliance and metal polishes, Waterless hand cleaners and sanitizers, Cream air freshener systems
Acrysol K-140	PEG-40 hydrogenated castor oil	Perfume solubilizer, Air freshener, Fabric detergents, Hard surface cleaning, Vehicle care, Waxes / polishes

Product matrix application pH range 4.0 – 14.0 for transparent formulations.
